Important information

State government rates cap

We've complied with the Victorian Government's rates cap of 1.5 per cent. The cap applies to the total annual increase of rates and charges. The rates and charges for your property may have increased or decreased by a different percentage amount for the following reasons:

- (i) the valuation of your property relative to the valuation of other properties in the municipal district;
- (ii) the application of any differential rate by Council;
- (iii) the inclusion of other rates and charges not covered by the Victorian Government's rate cap.

For more information visit delwp.vic.gov.au/fairgorates

*Interest penalties for late payment

Penalty interest on any arrears of rates and charges will continue to accrue. Interest will be calculated from the date when each quarterly instalment was due, irrespective of whether or not a ratepayer has chosen to pay by the instalment or lump sum option.

Objection to valuation

If you are aggrieved by the valuation of your property and wish to discuss the values, or need a prescribed form to lodge a formal objection, visit melbourne.vic.gov.au/valuations or call 03 9658 9658. The prescribed form must be completed and lodged with the City of Melbourne within two (2) months from the date of issue on the front of this notice.

Valuation objections will be processed by the Valuer General Victoria.

You must pay your rates as assessed on this notice by the dates outlined pending the outcome of any objection.

The valuations shown on this notice may be used by other authorities for the purpose of a rate or tax.

Appeal against rates

If you are aggrieved by any rate or charge, or by anything included or excluded from the rates or charge, other than in respect of the assessment of the value, you may appeal to the county court for a review of the rate or charge.

Review of differential rating

If you're an owner or occupier of land whose interests are affected by a decision of the Council to classify or not to classify that land as being for a particular type or class for differential rating purposes, you may apply to VCAT for review of the decision.

Valuation definitions

Site value is the value of the land.

NAV (Net Annual Value) residential is 5 per cent of the capital improved value.

NAV non-residential is approximately the annual net rental value of the property.

CIV (Capital Improved Value) is the total market value of the land plus buildings and improvements.

AVPCC - Australian Valuation Property Classification Code.

Objection to Fire Services Property Levy

If you disagree with the valuation or Australian Valuation Property Classification Code (AVPCC) you can call us on 03 9658 9658. If you're the owner of the land you may apply for a waiver, deferral or concession in respect of the leviable land under s.27 of the *Fire Services Property Levy Act 2012* for rateable land and s.28 for non-rateable residential land.

Pensioner concessions

If you are a pensioner and have a current concession card issued by Centrelink or the Department of Veteran Affairs, you may be eligible for a rate rebate on your principal place of residence.

For more information on pensioner concessions visit melbourne.vic.gov.au/rates or phone 03 9658 9658.

2021-22 RATES DISCOUNT

We recognise that many property owners are still struggling with the ongoing impacts of COVID-19.

The discount is not applicable to FSPL - Fire Services Property Levy (State Government Charge).
